“ From the first time I met Dolores (Dee) it was an instant connection. She's someone you instantly feel so comfortable with that you feel you have known them forever. I am so incredibly blessed to be able to say she was one of my dearest friends. I loved her. I have so many amazing memories. We got to travel together (two times to Florida). She was my card partner in two card groups that played monthly for years. We also had a lunch/card group and would take turns picking a restaurant each month. She was so much fun to be with!! She was so proud of her precious family. She was one of a kind. I will miss her deeply.

“ Thank you so much for sharing those memories. She had such a social life - more active than people half her age!
