“ I have known and loved "Aunt Janet" all of my life. She was fun and funny to be around and treated the 5 Heareth kids like her own. Gave advice, and generally was a very kind person. Just wish we could have spent more time with her. My fondest memory is when we visited from Alaska one Christmas, and she got down on the floor to play with our daughters, niece and nephew. I will miss her more than words can say.

“ "Aunt Janet" will always have a special place in my heart....I knew Aunt Janet for as long as I can remember....She and her son Michael lived next door to my Mother and me when I was 5 in Cincinnati, Ohio....I have many fond memories of Aunt Janet growing up....Family picnics, going to Bengals games, a great barbecue at her house in Fairfield, Ohio where many relatives attended....Also many visits to see her in San Jose and Paradise Pines in California....I could go on and on....Aunt Janet is a very special lady and she will be missed...May she rest in peace.
