“ Sorry to hear about Maryann yesterday. I used to play basketball with her at eastern recreation center. Her brother coached our team. It was just a great time and everyone loved MaryAnn. My heart felt condolences.

“Cutter” what a wonderful woman...Met her 47 years ago in the softball world... She had a great laugh and was welcoming to the newbie... Grateful to have resumed Facebook friends ship... although our politics were different... Glad to have known her... R.I.P. girlye

“Met Mariann, or 'Cutter' as many of us called her, about 50 years ago while playing softball. We had many adventures together and even roomed together for a while why she was a cook in training for a local restaurant. Had many a good meal thanks to her .
Will remember her laugh and sense of humor. Gone too soon .

“Mariann was a classmate of ours. My husband Ray, all through grade school at Assumption and both of us throughout Mt. Healthy high school. I will miss her comments on Facebook. Do sorry for your loss.

“ To me she will always be just "Cutter." I never knew anyone like her in this world. She was such a passionate soul I will truly miss Mariann's personality. You always knew where you stood with her. We had many good times together, playing soccer and collecting sports cards. I remember Erin her beloved fur baby, who she is cuddling with right now. She will truly be missed in this world. She was a faithful friend to so many who's hearts are breaking right now. God, please take care of her, and someday I hope to see you again my friend. God Bless Cutter! With Love Always!

“ Lots of good memories of my Aunt Mariann or "S" as we called her (short for Sissy). We were planning to get dinner soon. She will be missed.
